

Think Pink this October.

Dr. P. Phillips Hospital Breast Cancer Symposium
Saturday, October 24, 2009 — 9:30 am – 2:00 pm

Pink October is a time to educate women about breast cancer facts, prevention tips and early detection. It's a time for us to gather in support of those who have been diagnosed. And to remind ourselves to perform monthly self-exams. Early detection fosters hope and saves lives. Celebrate Pink October with Dr. P. Phillips Hospital, a part of Orlando Health, by attending the Breast Cancer Symposium in the main hospital lobby.

**9:45 am:
Welcome**

Denise Anderson,
Breast Cancer Survivor
and Dr. P. Phillips
Hospital team member
